We will make every possible effort to ensure the safety of your dog(s) but feel it is important to highlight that there are always risks involved when walking dogs, just the same as if you were walking your dog yourself. By agreeing to take up our services the owner accepts these risks.

Your dog will be walked on public tracks and paths.

We ask that owners ensure their dog(s) are up to date with vaccinations, flea and tick treatments and worming and wear a securely fitted collar with ID tag. We will take a copy of your dogs original vaccination card/certificates for our records.

By taking up our services the owner accepts full liability for the behaviour of their pets, for any vet fees or damage costs incurred as a result of their pet's behaviour whilst in our home or while being walked or in the care of Pause4Paws. This includes any third party claims associated with your pet whilst he/she is in our care.

The owner is to make full disclosure of any behaviour or characteristic problems which might make their dog unsuitable for walking or day care. These include; aggression towards dogs or humans, health problems, incontinence or lack of house training, destructive behaviour, separation anxiety, excessive loud barking or whining and any other anti-social behaviour. Failure on the part of the dog owner to disclose any matter which might render their dog unsuitable for any service provision will be deemed a material omission amounting to fundamental breach of agreement.

In the event of an incident or altercation between your pet and another we will check your pet for injury and if veterinary treatment is deemed necessary we will attempt to contact you immediately. Should we not be able to speak with you, we assume the right to make decisions regarding your pet's health and will take your pet either to your regular vet or in an emergency to the nearest vet without delay. Any decision will be made in the best interests of the pet or on the advice of a veterinary surgeon and the owner accepts responsibility for payment of any veterinary fees incurred.

We are confident your dog(s) will enjoy their time with Pause4Paws, and have plenty of exercise, fun and socialization.

Payment

A deposit of £50 (for a full week) or £25 (for part week) will be required upon booking.
